Use the left-hand navigation pane to select any section of the catalog, including degree programs, courses, and specific schools and colleges.
Enter search terms and then select from options in the drop-down menu to search all or specific sections of the catalog.
The icons at the top of each section allow access to other features:

- Degree Planner
- My Portfolio
- Social Media
- Print
- Help
Quickly access information within a section using the page menu instead of scrolling down the page manually.
The Course Search feature is located within the “Courses of Instruction” section. Search courses by prefix/subject, number, etc.
Select the course title to expand the course details; select the title again to hide the information.
In the “All Programs” section in the left navigation pane, view an alphabetical listing of all undergraduate and graduate programs available at LSU.
To view the *Recommended Path* for a specific degree program, select the appropriate college/school section from the left navigation pane, then select the link at the top of each page.

This will then lead you to a list of each college/school’s degree programs. Select the degree program of your choice and review the *Recommended Path*. See next page for an example.
